About Us

ACY Contractors, LLC (ACY), established in 2004, provides construction management, general and trade construction services for K-12, Higher Education, Healthcare, Federal and other niche markets. ACY promises to deliver start-to-finish services for each client, from pre-construction to closeout, and values high quality, safety, and reliability for bid-build and design-build projects. ACY's focus is on new and renovation commercial projects and achieves success through our seven core values.

ACY's vision is to become the "Rising Star" among small and diverse businesses in the construction industry throughout the Southeast region of the United States. While expanding into Georgia, South Carolina, Texas, Louisiana, and the Caribbean, ACY will continue to remain true to its seven core values. ACY's goal is to exceed \$25 million dollars in annual revenues over the next few years and continue to meet and exceed the expectations of their clients while **Building One Legacy at A Time!**

“My desire is for you to exhale and know you have hired a responsible and experienced firm that will make your dreams a reality. You have my commiunent infalfillment of a great construction experience!”
