## Our Company

ACY Contractors, LLC (ACY), established in 2004, vision is to become the "Rising Star" among small and diverse businesses in the construction industry throughout the Southeast region of the United States. While expanding into Georgia, South Carolina, Texas, Louisiana, and the Caribbean, ACY will continue to remain true to its seven core values. Our goal is to exceed \$25 million dollars in annual revenues over the next few years, and continue to meet and exceed the expectations of our clients while Building One Legacy at A Time!

ACY is Certified as a Minority Business Enterprise by the Florida State Minority Supplier Development Council, State of Florida, Orange County, City of Orlando, and Greater Orlando Aviation Authority. ACY is also certified as DBE, LDB, and Federal SBE.

## Capabilities

ACY Contractors, LLC (ACY) provides construction management, general and trade construction services for K-12, Higher Edu.cation, Healthcare, Federal and other niche markets. ACY promises to deliver start-to-finish services for each client, from pre-construction to closeout, and values high quality, safety, and reliability for bid-build and design-build projects. ACY's focus is on new and renovation commercial projects and achieves success through our seven core values.
